

Children develop numeracy and maths skills through everyday activities like counting, looking at shapes, and talking about sizes.

## Some learning ideas in the everyday...Counting

Count the number of people travelling in the car or bus.

Practise counting when grocery shopping with your child (count the number of apples you put into your bag).

Share the story 'Ten Little Fingers and Ten Little Toes' by Mem Fox.

Cut fruit into pieces and ask your child to count the pieces.

Count how many steps it takes to walk from the kitchen to the bathroom.
