

Some ideas for learning in the everyday....Writing

Drawing and scribbling lay the foundations writing.

Writing starts with scribbling and drawing then moves onto the formation of letters and words

Practise writing or drawing in the **sand**.

Write a **postcard** to a family member or friend.

Practise writing letters and words in the **air**.

Set up a **shoebox** – fill it with different types of pens, textas, crayons and paper. **Encourage your child to write and draw often.**

Paint on the ground using water and a paintbrush.

Write a **shopping list** for this week's supermarket shop.
